## Rules & Information

**Qualifiers** - A qualifying school team must consist of a minimum of 3 athletes and a maximum of 4, all currently in full time education at the same school they represent. An athlete/animal may only jump once per team. Animals may not be schooled at the competition venue by anyone other than the athlete competing on the animal taking part in the competition. Qualifying competitions will be run under SJI rules.

Should a qualified school fail to participate at the Championships without acceptable evidence for their non-appearance, this school will not be eligible to compete for a qualifying place in 2023.

**Ulster Region Schools** - It is the school that qualifies, not the members of the team at any qualifying venue, so it is therefore the responsibility of the Chef d'équipe to choose the athletes/animals to represent the school prior to entering the team for the Championship. After each of the Ulster Region qualifiers, the successful school must confirm their attendance at Balmoral Show by entering online at [www.balmoralshow.co.uk/competitions/schools-team-showjumping](http://www.balmoralshow.co.uk/competitions/schools-team-showjumping). The entry fee of £100 must be paid online at this time and within 14 days of qualifying to secure the school's place in the Championship. Qualified teams will be updated on the Balmoral Show website after each team has confirmed their intention to compete and paid their entry fee.

**Republic of Ireland Schools** - Once qualified from the Equestrian Interschools Ireland League final, teams must enter online to confirm their attendance at [www.balmoralshow.co.uk/competitions/schools-team-showjumping](http://www.balmoralshow.co.uk/competitions/schools-team-showjumping) along with entry fee of £100 and return the Final Entry Form with definite entries (team participants – athletes/animals with intended running order). As it is the intention to have a full complement of schools at the Championships, failure to return the required documentation and fee on time will result in the next eligible school from the Equestrian Interschools Ireland League being invited to attend.

**Closing Dates** - The Final Entry Form with definite entries (team participants – athletes/animals) with intended running orders, must be received from both Ulster Region qualified schools and Republic of Ireland successful schools by Friday 15 April 2022. This form can be downloaded from the Balmoral Show website at [www.balmoralshow.co.uk/competitions/schools-team-showjumping](http://www.balmoralshow.co.uk/competitions/schools-team-showjumping). The name, contact number etc., of the team Chef d'équipe must be identified on the entry form.

**Substitutions** - No substitutions from the definite entries are allowed, except in the case of a proven injury where the substitution of an athlete/animal from the definite entry list may be allowed up to 4.00pm on Tuesday 10 May 2022. After this date/time, no substitution will be considered. In this regard, the Organising Committee/Show jumping Sub-Committee's decision is final.

**Order of Starting** - The order of Teams starting at the Championship will be drawn by the Organising Committee on the day following close of entries, and all Schools will be notified accordingly. Schools are required to make their definite entries in the order they wish their athletes to compete. Start lists for the Championship will be available online [www.balmoralshow.co.uk](http://www.balmoralshow.co.uk) immediately after the Schools have been notified of the drawn order.

**Entry Fee/Wristbands/Parking** - includes maximum 4 stables for team animals for Friday night (if required), parking for a maximum of 4 horse boxes and 1 car and 10 wristbands (1 for each athlete, 1 for a parent/guardian of each athlete, and 2 for school representatives). Only those with the correct wristbands will be permitted entry to the jumping pocket/warm-up arena.

**Stable Reservations** - All stables must be confirmed in advance. If you require a stable on Friday night 13 May, please confirm details on the Final Entry Form. All stables are 3m x 3m approx. Limited shavings are provided. Additional shavings available to purchase on site.

**Arrival Times/Vaccinations/Passports** - Teams may arrive on Friday night from 6pm – 9pm or on Saturday morning from 6am – 8am only. Entry to Balmoral Park may be refused outside of these arrival times.

All schools must indicate on their entry forms which day they intend to arrive to Balmoral Show. It is not necessary for all team members to arrive together, but it is imperative, for veterinary reasons, that the expected day/approximate time of arrival is notified.

Passports with certification confirming proper vaccination must be available for inspection on arrival at Balmoral Show. To control Equine Influenza, all equines must be vaccinated every year as a routine measure.

- The primary course must consist of two inoculations given at intervals not less than 21 days, or more than 92 days, apart. A booster must be given 5 – 7 months (not less than 150 days and not more than 215 days) after the second injection of the primary course.
- The annual booster dose must be administered within twelve months of the previous inoculation and must be more than 2 weeks before Balmoral Show.
- This must be properly documented on the animal's passport. Failure to do so will result in the animal not being admitted to the Showgrounds.

**Declarations** – The Chef d'équipe should identify themselves at the Declarations Unit beside the Practice Arena and must declare all team athletes/animals before 8am on Saturday 14 May 2022, and receive competitor numbers for all team members. The Chef d'équipe is the only person eligible to liaise with the Starter/Ground Jury regarding any difficulties during the competition, e.g. an animal losing a shoe etc. Any rider or school representative showing unsporting behaviour will automatically be disqualified from their team, and/or have their team disqualified.

**Competition Format** - At the Championship the competition will be run in 2 adjacent arenas within the Main Arena, but at Qualifying venues the competition may be run as either a 2 round competition or a 2 phase competition in the one arena, providing the scoring/course/judging etc., is as detailed below:

- The competition will run over two rounds, over two different courses.
- A 45 second countdown will operate in both arenas.
- Arena 1 – the first round will be judged under Table A, with a time allowed.
- Following completion of the first round and the announcement of the score, the athlete will move to the adjacent Arena 2 (except where the athlete has been eliminated for a fall of athlete/animal or both).
- Arena 2 – the second round will be judged under Table A against the clock, with a time allowed. To commence the second round, the athlete will again be given 45 seconds from the time the bell is rung, to commence the round.
- Penalties in both rounds will be as under current SJI rules. Article 236 Table A.
- The first team member in each team will compete first, followed by the 2<sup>nd</sup> team member etc. Should a team only have 3 athletes, the last athlete may choose to go in the 4<sup>th</sup> slot rather than the 3<sup>rd</sup> one, but if so doing the Chef d'équipe must inform the Ground Jury before the commencement of the competition, otherwise it will be deemed that the athlete goes in 3<sup>rd</sup> place slot.
- The best three scores in the first round, together with the best three scores and time in the second round will establish the teams total score. These will not necessarily be the same athletes.
- Should there be equality of penalties and time for first place, a jump off will take place over a shortened course, by one athlete of each team, selected by the Chef d'équipe. At the Championships, should there be further equalities for either 2<sup>nd</sup> or 3<sup>rd</sup> place, a jump off will also take place, as above, to ensure there are three clear winning teams in the Championship for 1<sup>st</sup> 2<sup>nd</sup> and 3<sup>rd</sup> places.
