### **REPORT FOR OPEN INTERSCHOOLS WEXFORD EQUESTRIAN 8<sup>TH</sup> NOVEMBER 2015**

A very Wet and Windy day didn't dampen the Spirits as the Wexford Equestrian Leg of the TRI Interschools Event Sponsored by Bolgers Feeds on Sunday 8<sup>th</sup> November 2015. Despite the Horrible weather all teams arrived in a timely manner and jump according to the start list!! As all Teams were jumping in the Indoor arena to give riders the comfort of a dry jumping round the day kicked off at 8.30am with the first course walk and jumping started promptly at 9.10am as scheduled with Presentation school wexford jumping first. The school with only 3 riders were unfortunate to have one pole down only rolled at the last fence to knock them out of the jump off. They were able to take comfort however in the fact that they received Best Turned out team on the day so an early start preparing Horses and riders Paid off in the end. True to form all teams jumped their rounds respectively as per the start list with Loreto wexford next in the arena pulling out 3 clear rounds leaving sarah the last rider only to enter the arena to get into the jump off! Colasite Brid carnew Blue, St Kierans College, New Bridge College & Kilkenny red all produced Team Totals of 0 so the jump included all 5 teams. By 11.30 as per schedule the jump off course was prepared and first to take the arena was St Kierans College with Conor Fitzpatrick & Hugh Mc Owen Producing and overall score of 8 faults to put them in 5<sup>th</sup> place. Next into the arena was loreto College with Phillipa Breslin and Clodagh Jackman giving faultless rounds with the fastest time to claim the title. Kilkenny College with alex symes and Megan Telford Kelly were clear but just not fast enough to catch Loreto . Frankie Kavanagh & Patrick Kavanagh from colaiste Bhríde finished with 4 faults but Sarah behan & Alanah Kelly from Newbridge followed to give a clear round but only a few seconds off the leaders left them in second place!

The Individual Competitions were a bit of a wash out with riders trying to dodge the huge showers but eventually Gorey Community School - Sarah Dunne on board Wildfire lived up to his name and sailed home clear in 32.68 with Borris VC - Liam Lawlor on Mullarny Lass in second and New Bridge College - Sarah Behan on Mulla baloo in third place all on clear rounds. Novice individuals again with a poor crowd but those that braved the rain had super rounds with Sean Fitzpatrick on Skip Around Malibu winning in a time of 29.13.
