

Killoerry lodge November 2014.

a leg of the equestrian interschools was run at Killoerry Lodge Stud on Sat 22nd November and although the numbers were small those who came enjoyed the day. Newbridge college were triumphant in the novice teams while although finishing on an overall score of 4 faults was good enough to win the competition. Team members allanah kelly with the very versatile Jacksy and nessa fitzgerald on jasmine belle both recorded double clears while sarah buckley and emma brady both rolled a pole in the first round. Newcomers to the interschools jumping got off to a shakey start when their first rider in jp meegan and twilight silver had some navigational issues in the second round. But their score of 16 faults was good enough for 2nd with the unfortunate elimination of avondale. Allanah kelly and Jacksy claimed the novice individual when recording the only double clear.

The open teams was a very definite win for the Kings Hospital and although with only a 3 Lady team of Poppy Connolly Carew, Erin Byrne, and Ellen Forester they were the only team to finish on zero. The remaining teams all finished on 4 faults so the time in the second round was used to separate the lesser placings which meant newbridge slotted into 2nd place with Ardscoil na Trionaide from Athy taking 3rd and Holy Child Killiney in 4th. Poppy Connolly Carew repeating her performance of last year again took the honours in the open individual with india ryan from Holy Child Killiney making sure it wasn't a Kings Hospital whitewash and leaving Erin Byrne to slot into 3rd place. Newbridge college again picked up the best turned out prize.
